

Homestead Home Builders WELCOMES YOU TO 'Ruby' DISPLAY HOME

With the current COVID-19 pandemic and Government Guidelines, Homestead Home Builders has implemented the following policies with regards to '**Ruby**' Display Home for the benefit of our Customers and Roselea Homes staff.

DO NOT ENTER THE HOME Should you have a fever, cough, sore throat, runny nose, headache or shortness of breath or if You have recently returned from overseas or awaiting test results.

In accordance with Government Guidelines '**Ruby**' display home has been thoroughly and regularly cleaned.

All Homestead Home Builders Roselea Homes staff members will be implementing Social distancing measures in line with the recommendations of NSW Health.

- An appointment must be made with **Kamran (Homestead Home Builders)** before you are able to enter the home. You must also complete the COVID-19 Questionnaire.
- One group at a time with no more than 4 people per group.
- Please use the provided hand wipes as you enter the home.
- Whilst in the home please keep a distance of 1.5 metres between you and other people.
- You are to **REFRAIN** from touching any surfaces inside the home. We all know how doors, drawers and tapware work!!!
- Please **REFRAIN** from sitting on the furniture.
- Hand shaking is currently suspended.
- If you would like to sit down and discuss your requirements with **Kamran**, we ask that you please sit away from **Kamran** desk and keep your meetings brief to limit the face-to-face time as per Government Guidelines.

If at any time we feel that you are not respecting the Government Guidelines or Homestead Home Builders requirements, you will be asked to immediately leave the home.
